### Join Our Online Community!

We are excited to announce that Hood Theological Seminary now has its own online community as part of the 360Alumni platform. We decided to launch the online platform to enhance engagement across the Hood community. This resource will provide our alumni and supporters a place to network with one another and with the Hood community, to share resources, and to generate community conversations on topics relevant to particular areas of work.

This platform will allow those involved to create a dialogue with colleagues on a range of topics in theological education through an open forum—all within a live online environment. You will be able to join a group and get connected to events on and off-campus, see available jobs posted by various members, and join in great discussions. Members will also have the availability to great resources and will have the opportunity to join groups such as early clergy, chaplaincy, and alumni, just to name a few.
